

ParentNeeds2020

This survey is for parents, administrators, and volunteers who want to help children in school during the pandemic.

As we near the start of the school year, a lot of people want to help families with school-aged children. We are a group of parents in the Seattle area seeking to understand the immediate needs of these families, schools, and other organizations. Our goal is to find ways to direct help to existing organizations addressing financial and racial trauma during the COVID-19 pandemic.

Please help us find ways to help parents of school-aged children during the pandemic.

* Required
